

REMARKS

In the office action mailed April 26, 2004, claims 1 and 3-50 were pending for consideration, with claims 22-40 being withdrawn from consideration. The Examiner has indicated that claims 41-50 are allowed. Therefore, claims 1-40 are canceled in the present amendment without prejudice to Applicants' right to pursue the cancelled subject matter in a future application.

Claims 51-58 are added and depend from either of allowed claims 41 and 46. No new matter has been added by these claims. Therefore, allowance of claims 51-58 is also respectfully requested.

Conclusion

In view of the foregoing, claims 41-50 have been allowed and the Applicant respectfully requests that newly added dependent claims 51-58 also be allowed. If any impediment to the allowance of these claims remains after consideration of the above remarks, and such impediment could be resolved during a telephone interview, the Examiner is invited to telephone Brad Haymond at (541) 715-0159 so that such issues may be resolved as expeditiously as possible.
